

GUIDELINES FOR POSTER PRESENTATION

Dear POSTER presenter,

Before preparing your presentation, please take a few minutes to read these guidelines.

There will be one poster session during the IOBC-WPRS Joint Meeting on Monday, 16 September 2024.

Please prepare the poster in Portrait Orientation (100 x 70 cm h:w – B1 size). Please ensure that fonts are large enough to be well visible to the audience. Place the title of your paper clearly at the top of the poster to allow viewers to identify your paper easily. Indicate the authors' names and email address information to allow interested viewers to contact you for more details. Prepare all diagrams or charts neatly and legibly in size sufficient to be read at a distance of 1.5 to 2.0 meters. The poster must cover the same content as your abstract.

During the conference, you are kindly asked to:

1. Bring a printed version of your poster to the Conference. No print service will be provided during the conference.

Posters mounting

Poster boards will be equipped with a click-fit. Therefore, no mounting materials are required.
